Automated Educational Substitute Operator (AESOP)

Brazosport ISD utilizes an automated substitute-calling program named AESOP. This system allows substitutes to accept substitute positions online via www.aesoponline.com or by calling 1-800-94-AESOP. This system provides substitutes 24-hour access to available positions in our district. Training for this program will be provided during the Substitute Academies presented by BISD.

Payment

BISD substitute pay scale is adjusted to level of education and length of assignment. Checks are issued twice monthly, on the 15th and the last day of the month.

Additional Training at Brazosport College

Brazosport College Community Education offers a course in Substitute Teacher Training. Brazosport ISD recognizes and supports this training. Individuals learn duties of a substitute teacher, classroom management, child development, the lesson cycle, and presentation techniques. For additional information or to register, phone Brazosport College (979) 230-3600.
