Back-to-School
2019/2020

From Superintendent Danny Massey

The beginning of a new school year is always an exciting time for our staff and the students of this great district. In this spirit, it is my pleasure to welcome each of you to the 2019-2020 school year! Our schools are excited to welcome each of you and your children to another tremendous year here in Brazosport ISD.

On Wednesday, August 14 the third of our five replacement elementary campuses, Ogg Elementary, will open its doors along with our other 18 campuses to greet over 12,000 students. Two of our Lake Jackson area elementary schools, O.M. Roberts and Bess Brannen, will open their brand new facilities for students in August 2020. These new elementary schools were part of the 2014 Bond, and thanks to our community voters who approved of the 2019 Bond, we have started the design process for a new Brazoswood High School and SFA STEM Academy. We are proud to be able to provide new state of the art facilities for our students and staff.

We continue to ensure our students are receiving a high quality education with outstanding learning experiences. This last school year our students designed an 800 lbs rocket that they successfully launched at White Sands Missile Range in New Mexico over the summer. Our students also earned over 1,600 career and technical industry based certifications this past year. Our students are ready for college or careers in high wage, high need jobs after graduating BISD.

This school year marks the 75th anniversary of our district! Brazosport ISD is rich with history and tradition. As we celebrate this momentous milestone with our community, there is much to reflect upon and honor through acknowledging the thousands of BISD students and dedicated educators who have been a part of this great district. We invite you to visit our 75th Anniversary website at brazosportisd.net/history to take a stroll through time.

This is going to be a great year as we continue to live our mission of ensuring each student is equipped and ready for their bright future. Thank you for entrusting us with your child. We believe that ***From Here Anything Is Possible*** for each and every BISD student!

Kind Regards,
Danny Massey, BISD Superintendent

New Ogg Elementary School

Ogg Elementary Opens August 14, 2019

We are excited to announce the new T.W. Ogg Elementary School will open its doors to students and staff for the 2019-2020 school year!

The new campus is a two-story replacement elementary on the current school site in Clute. It is designed to accommodate the varied learning styles of students in grades pre-kindergarten through fourth grade.

Organized around a centrally located media center, the campus has connected green spaces to promote outdoor learning. The design provides extensive natural light in each classroom, utilizes collaboration spaces, a wet lab, and a STEM lab to help stimulate student creativity and critical thinking skills. Outdoor play areas are located near each wing of the building, and a bus loop is near the multipurpose gym and cafeteria. The design also features a quarter mile long walking path on the north side of the facility. Two elevators and a centrally located stairway provide access to the second floor of the school.

The campus offers full day pre-kindergarten and has flexible spaces to respond to the needs of students today and for decades to come. This campus is designed to accommodate up to 750 students and serves grades pre-kindergarten through fourth grade. Read more [online](#).

Now Accepting Nominations for BISD's Wall of Fame

Do you know a BISD alumni who has made a significant impact in our world or community? We encourage you to review the [online guidelines](#) and then consider nominating them for the [BISD Wall of Fame](#)!

Brazosport Independent School District annually celebrates its rich history and heritage by honoring outstanding graduates with selection to the **Brazosport Independent School District Wall of Fame**. What a great year to nominate someone with this being the 75th birthday of the district! Nominations are being accepted until September 6, 2019. The Wall of Fame monument was created to honor graduates of BISD who have demonstrated a high level of achievement in their field of endeavor and/or who have made significant contributions through achievement, service or leadership. The 2019/2020 Wall of Fame recipient(s) will be honored at the last home game(s) of the season.

[Wall of Fame Nomination Form](#)

Apply Now for the Leadership BISD Academy

BISD's Community Leadership Team is designed for the purpose of giving 15-20 community/business partners an in-depth look at our district and its operations and to become advocates for BISD. There will be four half-day sessions hosted by our Public Relations Department and locations will vary throughout the district. Applications will be accepted during the months of August and September, with notifications sent out early October.

Are You Registered for School? Register Online!

Current BISD Students Can Register Online:

If your child attended one of our schools last year, we encourage parents to register them online. This speeds up the process and will ultimately save you time. Just log in to [Parent Portal](#), select your child's name, and click the *Registration* tab. [Click here](#) for additional information regarding registering current BISD students online or go to the [Parent Portal Registration](#) page. Registration closes at midnight Monday, August 12, 2019.

New Students Call or Stop By:

Parents of students who are new to the district can find forms and information on our website www.brazosportisd.net, select [Registration Information](#) from the 'Resources' drop list. You can also call the campus (see phone numbers below) or contact the Student Services Department located at the BISD Administration Building 979-730-7000.
