From Superintendent Danny Massey

The beginning of a new school year is always an exciting time for our staff and the students of this great district. In this spirit, it is my pleasure to welcome each of you to the 2018-2019 school year!

On Wednesday, August 15th, our 19 campuses will open their doors to greet over 12,000 students. This year marks the opening of our newest facility, Freeport Elementary School. The new early childhood campus will house the pre-kindergarten, kindergarten and first grade students within the Freeport feeder pattern. The next year we will open a new T.W. Ogg Elementary School; and O.M. Roberts and Bess Brannen will follow the next two years. We are proud to be able to provide new state of the art facilities for our students, keeping costs under budget and the timelines ahead of schedule.

Our staff has also been busy this summer implementing the \$1.6 million in additional safety and security measures at all of our campuses. In June, our Board of Trustees unanimously approved doubling our police force and adding security supports such as portable metal detectors, additional security cameras and people to monitor them, as well as adding more mental health and emotional supports and mentoring programs to proactively address potential security threats.

We continue to ensure our students are receiving a high quality education with outstanding learning experiences. This past school year our students designed a 500 lbs rocket that they successfully launched at [White Sands Missile Range](#) in New Mexico over the summer. Our students also earned over 1,300 [career and technical](#) industry based certifications this past year, doubling the number earned the previous year. Our students are ready for college or careers in high wage, high need jobs after graduating BISD.

This is going to be a great year as we continue to live our mission of ensuring each student is Future Ready!
Thank you for entrusting us with your child.

Kind Regards,
Danny Massey, BISD Superintendent

Now Accepting Nominations for BISD's Wall of Fame

Do you know a BISD alumni who has made a significant impact in our world or community? We encourage you to review the online guidelines and consider nominating them for the [BISD Wall of Fame](#)!

Brazosport Independent School District annually celebrates its rich history and heritage by honoring outstanding graduates with selection to the **Brazosport Independent School District Wall of Fame**. Nominations are being accepted for the current year until September 7, 2018. The Wall of Fame monument, located at Hopper Field in Freeport, was created to honor graduates of BISD who have demonstrated a high level of achievement in their field of endeavor and/or who have made significant contributions through achievement, service or leadership. The 2018-2019 Wall of Fame recipient(s) will be honored at the last home game(s) of the season. [Guidelines](#) [Nomination Form](#)

There will be four half-day sessions hosted by our Public Relations Department and locations will vary throughout the district. Applications will be accepted during the months of August and September, with notifications sent out early October.
